Description

A late 17th-century William & Mary stool with barley?sugar twist legs, oyster?veneered stretcher, and French linen seat - a refined, decorative piece full of early charm. Why We Love This ... Small in scale but rich in detail, this stool has a wonderfully decorative presence. The contrast between the crisp barley?sugar turning and the oyster?veneered stretcher is particularly pleasing, while the French linen upholstery keeps the overall look refined and usable. It is the sort of piece that quietly elevates a room.
