Description

Antique bakers prep table dating to the start of the 20th century. The table has a wonderful worn pine frame, two deep drawers with original brass cup handles and a thick sycamore top. With its thick sycamore top the table would make a perfect chopping/prep table. The table is in good solid condition with wear to the pine frame especially the front stretcher but all part the tables charm. The sycamore top has some wear and has slightly lifted at the back edge.
