Depth = 41 cm (16.1")

Description

19thth Century French Cast Iron Mortar – Large Chateau Kitchen Apothecary Mortar – Why We Love This ... A superb and impressively scaled 19thth century French cast iron mortar, originally used in a chateau kitchen or apothecary setting. The weight, presence, and beautifully aged surface give this piece enormous decorative impact. Mortars of this size and quality are increasingly hard to find, and this example has the perfect balance of sculptural form, honest wear, and deep, rich patina. A striking object that works equally well as a functional kitchen piece or as a standalone decorative sculpture. At a Glance – Appeal, Desirability & Collectibility • Date: 19th century • Origin: France • Style: French chateau kitchen / apothecary • Materials: • Cast iron • Naturally aged surface • Original patina • Dimensions: (Insert your measurements) • Condition: • Very good antique condition • Surface wear consistent with age and use • Stable and structurally sound • Beautifully aged patina • No cracks or structural losses • Notable Details: • Exceptional size and weight • Deep bowl with thick walls • Strong sculptural form • Rich, tactile surface • Classic 19thth century French casting • ...
