Description

French Gothic-Influenced Metal Garden Bench Attractive Wirework Details — Sturdy & Full of Character
 Overview A charming French Gothic-influenced metal garden bench with beautifully decorative wirework details. Light in appearance but sturdy in construction, it's an ideal piece for a conservatory, garden, courtyard, or porch. The metal has developed a lovely natural patina over time, giving it that soft, weathered character that only age can create. With no damage and a comfortable seat height, it's both practical and decorative — a bench that brings elegance and atmosphere to any setting. Key Features • Date/Era: Vintage • Origin: France • Style/Influence: French Gothic; decorative wirework garden furniture • Material(s): Metal with naturally aged patina • Dimensions: • Seat height: 46cm (18.1") • Condition: Very good vintage condition with no damage • Notable Details: • Attractive Gothic-influenced wirework • Sturdy and well-made • Lovely time-worn patina • Suitable for indoor or outdoor use Condition Report In very good vintage condition with no damage. The metal surface shows a gentle, attractive patina consistent with age and outdoor use. ...
