Description

A beautiful and very unusual Art Deco walnut display case / serving cart. This was made in England, it dates from the 1930's. This is of amazing quality, it may have been designed as a serving cart / drinks trolley or just as an ornamental display case for shoes, hand bags, objects etc. The walnut frame has a bevelled glass top and glass on all sides, with a drop down door on either side. It rolls smoothly on casters and looks amazing from all angles. We have had the wood stripped and re-polished to a very high standard, the glass appears to be original and there is just some very minor surface wear. The overall condition is excellent for its age. Width – 67 cm , 26.5 cm Depth – 39 cm , 15.5 inches Height – 71 cm , 28 inches
