Description

An absolutely stunning 18th Century GEORGE III Silver Gilt Snuff box by THOMAS PHIPPS & EDWARD ROBINSON, LONDON 1795. Cartouche with initials engraved. Measuring 5 cm x 3.5 cm x 1.5 cm and weighs 33.3 grams. In excellent antique condition for its 231 years, the hallmarks are very good, hinge working well, there is slight surface wear, gilding is still bright, engraving very good, usual signs of wear all commensurate of age and use. It looks barely used. A beautiful Georgian period piece, the best piece I've seen in a long time.
