Description

An Antique Edwardian Silver Plated Four Person Egg Cruet Set comprising four handled egg cups, a stand, and four teaspoons. The cups are richly embossed with scrolling foliate decoration and finished with scalloped rims for an ornate period look. The rectangular stand is similarly decorated, with shell motifs at the corners and a softly rippled border detail around the edge. A central carrying handle rises from the tray, allowing the complete set to be lifted and served easily as one piece – circa 1905. * This is the sort of set that looks as good on display as it does in practical use. Measurements: Height: 5" (approx. 12.5cm) Width: 8" (approx. 20cm) Depth: 6" (approx. 15cm) Total weight: 635g In good condition – The silver plate shows only light surface wear consistent with age and gentle use.
