Description

Huge early 20th Century English moonstone light A huge example of an early 20th Century English glass moonstone light, with brass light head detail around the edge and original hanging chains in place, illuminating a soft warm glow with impressive scale. Dimensions: Height 7" Chain drop included 24" Width 18" Depth 18" Details: Age: Early 20th Century Origin: United Kingdom Designer: Unknown Material: Glass Condition: Good / Unwired Weight: 8GK Condition Report In overall good condition considering its use and age. The inside of one of the hanging glass holes has light chips that do not affect the stability or security of the hanging chain. The light plaque show age and fading as a result. Overall a solid piece. Shipping & Handling UK Buyers: Delivery is available via trusted couriers, including specialist services for large, valuable, or fragile items. International Buyers: Worldwide shipping is available. Please contact us prior to purchase for a bespoke shipping quotation. Due to the rarity, size, and fragility of this piece, we strongly recommend tracked, insured, and professionally crated shipping. Dispatch Time: 3-7 working days, depending upon consignmen...

Internal Ref: moonstone huge
