Date of manufacture: 19th Century

Dimensions

Height = 76 cm (29.9")

Width = 117 cm (46.1")

Depth = 64.5 cm (25.4")

Description

An antique Regency mahogany library table, circa 1820, with a warm polished finish and a brown leather inset writing surface. The rectangular top is framed by a moulded mahogany edge and fitted with a tooled leather panel, showing the attractive wear, patina and tonal variation expected of a working early 19th-century writing table. Below the top, the frieze is fitted with drawers, giving useful storage while preserving a clean, balanced outline.

Internal Ref: 49544
