Description

This antique 18ct gold five-stone sapphire ring presents a wonderfully balanced display of royal blue tones, arranged in a traditional graduated setting. Each sapphire is claw set, allowing light to catch the stones beautifully, while the buttery yellow gold band features subtle carved detailing along the shoulders, typical of late nineteenth to early twentieth century craftsmanship. The overall effect is rich in colour and timeless in design. A classic antique ring with enduring charm and character. Part of our antique sapphire ring collection. SIZE UK N ½ / US 6 ¾ – Free sizing available SPECIFICATION Sapphires total weight approx. 2.25 carat Face dimensions. 8 x 19mm Weight. 3.85 grams Metal. 18k gold CONDITION Excellent. The sapphires remain secure and full of life, with only minimal surface wear to the outer stones visible under magnification. The gold band retains its smooth finish and fine definition.
