Description

A Very Good Quality Late 19th Century Satinwood Kidney Shaped Desk, Or Dressing Table, Having Attractive Replacement Tooled Leather Top, Over Nine Drawers With Original Brass Handles And Attractive Crossbanded Inlaid Decoration Throughout, Raised On Elegant Square Tapering Legs And Original Castors. This extremely elegant late 19th century victorian desk would of course also make a wonderful ladies dressing table, just about the perfect size, function and level of sophistication to suit any room of ones choice. The satinwood timbers used within its construction are very well figured and it has been well made ensuring that all drawers still operate smoothly. These kidney shaped desks are always extremely popular articles, mainly down to the fact they are just as at home in the corner of a room, or against a wall, as they are stood centrally in the middle of a room. The variety of functions and rooms they can be used in and for also adds greatly to the appeal of course. As with all items which we offer for sale this 19th century desk has been inspected and attended to in our workshops by our highly skilled, trained antique furniture restorers and received a natural wax p...
