Description

An outstanding Glasgow school Art Nouveau copper and wrought iron fire screen with enamel cabochons to the flower heads c.1890. The hand formed copper front with flowing lines and planished finish to the upper half. The lower half of the fire screen embossed with stylised long stem tulips, which are inset with enamel cabochons to the flowers heads in striking blue tones. The copper front sat on a hand formed wrought iron frame with feet to each side of the base and a single leg to the rear. Presented in superb original condition.
