Price

Sold**Item Reference: SA1223824****Date of manufacture: 19th Century**

Dimensions

Height = 28 cm (11.0")

Width = 36 cm (14.2")

Description

This is a beautiful antique Chinese (Qing) botanical watercolour dating from the mid 19th Century. The well executed painting depicts butterflies surrounded by native flora. The watercolour is in strong gouache colours on pith and is presented in a neat gilt frame with a soft raspberry mount. It is in good condition and measures 36 cms by 28 cms overall including the frame. We currently have 3 similar paintings should you be interested in purchasing more than one or the set of four. Please see our other listings. UK delivery is £12 (this can be combined for multiple purchases)
