Description

A bucolic scene of ducks on a river, attracting the attention of a playful puppy on the bank surrounded by lush, many green hued leafy trees, with flowering plants in the foreground and a chateau in the distant background. Here and there are small birds darting around in the branches, a very charming and peaceful backdrop for your drawing room, study or dining room. Being offered 'as is', with no lining. Lining and velcro can be added for a further cost, of approximately £2,000 inc VAT 12'0" x 7'6"
