Description

A wonderful pair of 19th Century Chinese ancestral scrolls, painted rice paper on silk border. They have been professionally framed to include strong wire, and mounted in black wood frames. Difficult to photograph due to their large size! There is normal wear to these, they are interesting and beautiful as can be seen from the pictures. They are absolutely stunning interiors pieces, not least because of their large size. Dimensions of each: W: 89cm (35")H: 153cm (60.2")
