Description

A fine looking oak Box Settle full of character and country charm perfect for a period or modern hallway or maybe a kitchen diner. Some of these settles can be a bit lumpy and a little dull looking, this one is a little lighter and more playful on the eye and sits well. Condition is good with wear in just the right places, the odd age split to the oak panels but nothing nasty or off putting. We have lightly cleaned the settle and ensured that it's ready for placing. A lovely English oak piece with the addition of a little storage space for good measure. Dimensions Overall: Height 151.5cm x Width 114cm x Depth 57cm Seat: Height 44cm x Width 102cm Between the Arms x Depth 41cm Storage: Height 36.5cm x Width 103cm x Depth 45cm
