Description

Incredibly good looking 6 drawer oak side table in lovely condition. This one possesses great decorative design with its wonderfully shaped legs and sides, little oak ball knobs, beaded moulding and ribbed drawers. Not seen one like this before and it's sitting in good original condition with a super earthy tone to the oak. Of good height, it could be used as a desk if you so desire. As mentioned, the condition is good and original with sensible historic wear, all drawers are running smoothly and the top drawer possesses a working lock and key. We have carefully cleaned the table and ensured it is ready for you to place. A great looking solid oak table/desk with a distinctive design C1930.
