Description

A smart and extremely well made pair of antique mahogany military campaign bedside cabinets / side tables. They were made in England, they date from around the 1930's. They are of superb quality and are a very useful size. The mahogany has a lovely deep colour tone and gorgeous grain patterns. They have high quality brass naval style handles and brass corner mounts, each has a pull out slide shelf that comes out from above the drawers. There is a useful open lower section beneath the drawers. We have had these re-polished, the condition is excellent for their age. There is just some very minor surface wear remaining beneath the polish here and there. Width - 18 inches , 46 cm Depth - 13 inches , 33 cm Height - 25 inches , 64 cm
