Description

Superb quality mahogany chest on chest in excellent condition and of neat proportions. This chest on chest separates into 2 sections which allows for easy transportation in and around your home. The top section has a dental cornice and consists of 2 short drawers over 3 graduating drawers. The base has 3 graduating drawers also with the addition of a pull-out brush slide. All drawers are oak lined, run smoothly and constructed with hand dovetail joints construction. Like all antique furniture there are some imperfections but these only add to the charm and character of this solid chest of drawers. With its incredible colouring and amazing graining this is a striking example of period furniture offering a lot of storage space and history to any home. Internal reference : SAI2298
