Description

This is a mint perfect example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is the classic Solid 9ct gold Omega 269 from 1964 the very last of the legendary 30t2 series widely regarded as Omegas finest movement and fitted to the Battle of Britain pilots watches. The Explorer dial is in mint condition, it is totally original, it has had no restoration. It measures 34mm in diameter excluding the winding crown and comes with its original box. All we have done is service the movement and give the case a light hand polish with a soft cloth. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It comes with a one year warranty. We can fit almost any colour or style of strap just let us know your preference, we keep most things in stock. One of the best examples you will see. If you would like to buy or reserve this watch please telephone us on 01726 813155 or email us foweys...
