Description

For your consideration is this charming and totally original spelter table lamp with a dog and a parrot above holding the beehive shaped clear frosted glass shade. Stands 32cm high, on a marble base with signs of wear as expected, a slight corner chip - please study the pictures. Overall the lamp is in great condition, the gilding is vibrant and the glass is without chips or any unsightly damage. For a good ambient lighting we would recommend 40 watts. Perfect lamp for a children's room or for anyone who appreciates animals and Deco themed novelty pieces. Wired for UK use but we can send an adaptor to US customers so you can use the lamp immediately without having to rewire or change plugs. FREE UK DELIVERY
