Date of manufacture: 19th Century

Description

A very smart pair of Victorian oak Gothic chairs in excellent condition with a great style. These are nice golden oak which contrasts well with the ebonised detail throughout the chairs. The chairs are very much in the Pugin, Gothic style with fret cut piercings and bobbin buttons and finials. The chairs are heavy and solid in their construction and are in nice characterful condition ready for use and display. These measure 103 cms in height by 52 cms wide and 39 cms deep overall. The seat height is 44 cms from the floor. UK delivery can be arranged with our trusted furniture courier and costs £65 plus vat to most destinations.
