Description

Fine Quality Pair of Georgian Revival Mahogany Bedside Tables C1930 A fine quality and increasingly hard-to-find pair of Georgian Revival mahogany bedside tables dating from C1930. Beautifully crafted in the traditional manner, these elegant bedside cabinets combine timeless design with excellent workmanship, making them an ideal addition to both period and classic contemporary interiors. With their rich mahogany colour and refined Georgian-inspired styling, these versatile pieces are equally suited as bedside tables, bedside cupboards, or lamp cabinets. Their quality construction and practical design make them both decorative and functional. Features Fine quality Georgian Revival craftsmanship Solid, traditional construction Elegant mahogany construction Pair of matching bedside tables with cupboards and drawers Drawers slide freely Cupboard doors close securely with working catches Strong and sturdy with no loose joints No signs of woodworm Condition Presented in very good vintage condition, displaying only minor historic knocks, marks and age-related wear consistent with careful use. These authentic signs of age enhance the character and appeal of the furniture while...
