Description

A handsome antique Georgian mahogany cheese coaster, dating from the early 19th century. The coaster features a deeply curved crescent-shaped cradle, with raised shaped sides terminating in turned scroll handles. Raised on a moulded rectangular plinth base, the mahogany has developed a warm, rich colour and attractive patina through age and use. A lovely and increasingly uncommon example. Item Reference: M-6441 . Dimensions: Height – 15cm / Width – 40cm / Depth – 22cm . **CONDITION REPORT** In good antique condition throughout with signs of age and use. There is surface wear in places including age-related marks, scratches, minor knocks and some variation in colour. There is a small age-related split to the curved sides. Overall, the cheese coaster remains solid and sound. Our experienced carpenter thoroughly inspects, repairs and restores each item in our collection to ensure it is fully prepared for use in your home. For a clear and accurate understanding of each item's condition, we ask that you carefully review all provided photos. These images are an essential part of the description and condition report, offering important visual details regarding the item's appearance...
