Description

A beautifully carved walnut chair, richly worked with flowing Art Nouveau floral motifs to the back, seat and legs. The exuberant, organic carving – with its large blossoms, curling stems and rhythmic leaf work – is strongly characteristic of designs associated with Liberty & Co. The walnut has a warm, polished tone that highlights the depth and movement of the carving. The underside retains early pencil markings and a fragment of an original paper label, supporting the Liberty attribution. A decorative and sculptural piece with wonderful presence, ideal as an accent chair or as part of an Art Nouveau interior. Seat height = 42.5cm (16.7") Internal reference : SAI4042
