Rare Arnold & Sons WW1 Military Campaign Surgical Kit

Price

Sold**Item Reference: SA1224447****Date of manufacture: 1900**

Description

Here we have a rare surviving example of a Surgeon's military campaign instrument kit, all housed in a mahogany and brass bound case with fitted interior and lift out tray housing multiple surgical instruments used for amputations, wound closure, brain surgery and airway management, all instruments and stamped for Arnold & Sons and also carry the War Office broad arrow mark, there is also a small lidded compartment containing sutures and gut. The box carries a brass cartouche on the lid reading "Operating Instruments 1916" and the Broad Military Arrow, the kit comes complete with it's original Arnold & Sons protective tin with company stamp and broad arrow on the top, there are also some old Sotherby's Auction labels attached. This is a fine piece of history and one is housed in the National World War One museum. Size: 45 x 18 x 9cm (closed) Free UK postage and packaging is included in the price of this item, please contact us for a foreign shipping quote.
