Item Reference: SA1224459

Date of manufacture: 1800

Description

Regency Giltwood Pier Glass with Original Intaglio Cut Mirror Plate c.1815 An early 19th century Regency pier glass of good proportions, with carved wood and gilt gesso frame. The upper section features scroll and foliate decoration with classical influence, framing an arched mirror plate finely intaglio cut with neoclassical motifs. Offered in original condition. The two-part mirror plate with wear to the silvering. The gilding is rubbed in places with some wear and little missing sections to the moulding. Old pine backboards. Measures: 108 cm high x 56 cm wide
