Description

A very smart pair of early 20th century French Kingwood bedside cabinets with beautiful inlaid detail and quality ormolu mounts. These have a very attractive shape with curved cabriole legs capped with ornate bronze decoration. The two useful drawers have a coordinated inlaid framed panel with flower and leaf design, with the lower drawer having a great shape to the frieze that arches beautifully out to the curved legs. A really delightful pair of bedside cabinets in beautiful clean condition dating from around 1930. The bedsides measure 73 cms in height 36 cms wide by 29 cms deep. UK delivery can be arranged with our trusted furniture courier and costs £65 plus vat to most destinations.
