Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 9ct yellow gold case and is fitted to a beautiful full length solid 9ct gold herringbone bracelet which simply glides around the wrist and really shines when you catch it in the light. Mint throughout we do not think this watch has ever been worn. The fold over double safety clasp is tight and secure. The original dial is in perfect as new condition and just stunning. It has the Omega logo on the winding crown and the clasp. It has the highly reliable calibre 620 manual winding movement which has just been serviced and is running to within original Omega specification. The bracelet is full length it has never been shortened, it will fit a maximum wrist size of 7 inches or 17.5 cm but this can easily be reduced by any competent jeweller. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked and it comes with its original Omega box which is also in perfect condition. The watch case measures 19mm in diameter not including the crown. Overall this watch...
