Description

A classic vintage 9ct gold double belcher chain with a warm rose tinge running through the gold, giving it a rich and subtle deep tone. The double link structure creates a pleasing rhythm along the chain, with each rounded link paired neatly for a fuller, more substantial look. At 25 inches, it sits long on the neckline, making it an easy piece to wear on its own or alongside other chains. The antique style of link adds to its early character, complementing the chain's time-honoured design and overall sense of vintage charm. Part of our vintage gold chain collection. SPECIFICATION Length. 25" (72cm) Width. 2.5mm Weight. 8.65 grams Metal. 9k gold ERA Early to Mid 20th century CONDITION Excellent. This chain is in superb order with only very light signs of any wear. The links remain well formed throughout and the bolt ring clasp works securely and smoothly. A well cared for piece with a lovely glow to the gold.
