9ct Gold Octagon Chain Cufflinks

Price

Sold**Item Reference: SA1224671****Date of manufacture: 1960**

Description

A smart pair of vintage 9ct gold cufflinks featuring octagonal faces with a finely engine turned finish. The engraved pattern catches the light with a soft, textured effect, giving the surface a refined and classic appearance. Each cufflink is joined by a traditional chain link, allowing for comfortable wear while adding a subtle sense of movement. The plain central panels offer space for personal engraving, making them a thoughtful and characterful addition. Part of our vintage gold cufflinks collection. SPECIFICATION Dimensions. 17 x 11mm Weight. 5.26 grams Metal. 9k gold STAMPS & HALLMARKS Hallmarked 375 for 9ct gold, Birmingham assay, date letter K for 1959-60 CONDITION Excellent. These cufflinks are in fine order with only light signs of wear. The engine turned surfaces remain well defined, and the gold has a clean, well kept finish. A clear hallmark is present.
