Early C17th Carved panel Abraham and Isaac

Price

Sold**Item Reference: SA1224817****Date of manufacture: 17th Century**

Description

A superbly carved oak panel depicting Abraham about to sacrifice Isaac with an angel holding back his sword. The incredibly deep relief carving is extremely well executed with a sense of movement and drama. the sword is lost to time and there is loss to Abrahams foot, there is a loss to the bottom of the panel which does not effect the scene. It has a rich deep patina and is of a bold size. The goat to one side has an almost comical appearance. Flemish. Circa 1610 Height 43 cm (17") Width 37.5 cm (14 3/4")
