Description

Description An attractive vintage 9ct gold brooch designed with flowing loops that sweep around a central button detail. The swirling form creates a pleasing sense of movement, giving the piece a soft and sculptural look typical of the 1950s. The neat, balanced design makes it easy to wear, with a gentle presence that sits comfortably on fabric. A well crafted piece with a classic mid-century feel and a warm, rich tone to the gold. Part of our vintage gold brooch collection.
