Description

Produced by the Royal Worcester Porcelain Company and bearing the date code for 1935, this fine cabinet plate is signed by Richard Sebright. The underside retains the original Bonhams auction labels, providing documented auction provenance. The central reserve presents two apples with blackberries, blossom and naturalistic foliage against a light atmospheric background. This unusually luminous treatment differs from the darker mossy grounds associated with many Royal Worcester fruit studies and gives greater prominence to Sebright's precise modelling and subtle colour transitions. Richard Sebright is officially recognised as the greatest fruit painter in Royal Worcester's history. His signed works are regarded as museum-quality examples of English porcelain and remain among the most valuable productions within the factory's Painted Fruit tradition. The deep underglaze cobalt blue border is richly decorated with hand-applied burnished gold ornament, scrolling foliage, oval medallions and refined neoclassical motifs. The reverse bears the Royal Worcester factory backstamp and the original hand-painted workman's mark "Z 21". Dimensions: • Diameter 26.4 cm. Height 2 cm. W...
