Description

A charming and elegant Omega De Ville reference BA 511.0156, dating to 1968 by serial number and originally sold in 1971, as confirmed by the original warranty papers. Launched in 1964, this distinctive ladies' De Ville perfectly captures the clean, modern design language Omega became known for during the late 1960s. Presented with its original inner and outer boxes, original papers and instruction manual, this is a wonderful vintage Omega with excellent provenance.
