Date of manufacture: 19th Century

Dimensions

Height = 106 cm (41.7")

Width = 120 cm (47.2")

Description

The front two panels with untypical views of Mount Fuji. The reverse with rather beautiful and delicate still life paintings on a buff ground. Although the paint is now stable, the losses to the flower painting in particular evoke a rather beautiful fragility. For news and stock updates follow us on Instagram: [jeckyllandco](#)
