Description

Summary: Item: Antique Fireplace Grate Circa: 1920 Style: 18th Century Provenance: England, UK Material: Cast Iron Width = 43cm / 17" / 1ft 5" Freestanding design Domed backplate Embossed working scene Two shaped front legs Removable grate No breaks Weight = 21kg Suitable for all fuel types Highly decorative Excellent condition Solid construction Excellent original colour & patination Free delivery to England, Wales & southern Scotland* 14-day free UK returns policy Description: This is a fine quality small English 18th century style antique fire basket, made from solid cast iron, circa 1920, in excellent original condition. Benefitting from a freestanding design, this small fire basket is designed with a dome backplate embossed with four men, depicting a working scene. The antique cast iron fire grate features two tall square flat finials at the rear, and two brass finials at the front. Featuring block feet at the rear, with splayed shoes to the front. The small fire grate basket is constructed with three shaped horizontal bars for keeping the logs in place. The internal floor grate can be removed from the basket, allowing for easy clean...
