Description

Beautiful Antique 9ct gold Back and Front heart Locket. This pretty heart shaped locket measure 2.8cm by 1.9cm including the bale and decorated with beautiful chased foliate decoration. The locket is not marked for 9ct but has been tested for 9ct back and front, which means the inner parts are not gold. The locket has two photograph compartments. The locket has a gold bale. The locket is in very good condition with some minor wear to the gold in accordance with its age and no dents, no dings. I would say that this locket dates to the early 20th century probably Edwardian. It is a small to medium sized locket, the inside is in good usable condition with refurbished plexiglass. Opens and closes well. The Total weight is 3.2g Please Check Sizes And Weights As JEWELLERY IMAGES ARE ENLARGED. Dark areas are reflections on the gold. BUY WITH CONFIDENCE: I try to accurately describe my items. I never knowingly mis-sell any item, so please read the description carefully. All items are checked by a professional Jeweller for authenticity; however no certificates are provided. If for any reason the item is found not to be genuine or as described a full refund will be given. So pl...
