Description

This beautifully woven and decorated storage-bag was made by Baluch nomads in south-western Afghanistan circa 1900. The face of the bag is intricately woven in weft-substitution technique and the back in plain-weave. The tassels have been lovingly attached with goat-hair braiding and apart from a small amount of fuchsine in some of the tassels, which dates the bag to around 1900, the colours are all natural. It is in excellent condition. Size: 46 x 50cm (1' 6" x 1' 8").
