## Description

This church pew is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The church pew would look well in any old or modern property but particularly well in any room for seating purposes and can comfortably seat 3 people. This would be ideal to the side of a kitchen table or in a hallway. The church pew stands on plank ends supporting the main section with beautifully shaped tops where there is a lovely large seat. The back is panelled. The height is 93cm, the seat height is 46cm, the width is 183cm and the depth is 40cm.
