Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest of drawers would look well in an old or modern property in a small bedroom. There are not many chests this low and wide so please buy with confidence. The chest stands on original tulip feet supporting the main section. There are two small drawers over two large drawers. The drawers have a round turned wooden knob and a moulding around the edge. The drawers have dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The height is 79cm, the width is 110cm and the depth is 45cm.
