Description

A good example of a set of 6 antique fruit knives with sterling silver handles. They are good quality pieces with a pretty kings pattern design on the handles and engraved floral detail on the blades. Each piece is fully hallmarked for Isaac Ellis & Sons, Sheffield, 1908. They are in good condition with clear hallmarks. There are no major damages and the set displays beautifully. There are signs of age and use, some light surface marks on the blades and some minor dinks on the handles but nothing detrimental. They have been gently cleaned and polished and are ready for use. The set comes in its original fitted box with a velvet and silk interior. The box is in good condition with some minor wear to the interior and some light scuffs and marks around the edges but nothing detrimental.
