Description

Very Sweet Small & Well Proportioned Mid Georgian (circa 1740-85 George II //George III) Mahogany & Inlaid Grandfather Longcase Clock. Height 80.3in or 204cm. Both the Long Trunk Door & the Base Panel have Wonderful Handmade Sun Burst Inlay. The Hood is in the Late 17th/Early 18th Century Style with the Hood Columns are Part of the Hood Itself. Also it is Still Adorned by it's Original Tiered Top and it's Original Old Glass. Brass Dial with Silvered Chapter Ring. Date Window - though please note that the internal gearing has, at some stage of it's 275 year history, been removed. It would also appear that the hinges have been replaced but the restorer has fixed the old ones to the inside of the trunk door for it's history. Overall Attractive and Interesting Shape & Proportions for Any Home with A Good Working 8 Day Bell (hourly) Striking Movement, which has been Checked, Serviced & Tested. Please contact Robert via the Website Messaging or on 07899 058752 to Discuss. Viewing by Appointment Welcome. Please Supply Your Postcode for Delivery Options. Robert will include set up if he is doing delivery, though for far flung locations Courier Service can be offered at Cost....
