Description

Antique Oak Barograph with Thermometer with Bevelled Glass and Chart Drawer DESCRIPTION: This is a wonderful quality antique barograph. The case is made from oak and has bevelled glass to all four sides and the top. The case has a lovely feature of a drawer where charts and other items can be stored. In addition is also has a thermometer which is a rare additional feature. The movement is 8 day and is complete with it's winding key which is integral with the movement and which is accessed by lifting the lid on the movement. The barograph also has an ink bottle holder complete with it's ink bottle. The barograph takes barometric measurements which in turn are recorded on a paper record sheet which is mounted on a clockwork revolving cylinder. The cylinder makes one full revolution in one week. The glass is engraved 'TF2 8NJ JDQ'. The barograph is in full working order and comes complete with spare charts and ink. DIMENSIONS: The approximate dimensions are: - 14 1/2 inches (37 cm) long - 8 3/4 inches (22.5 cm) deep. - 8 1/2 inches (21.5 cm) high. As you can see from these dimensions the barometer is of fantastic proportions. CONDITION: The barograph is in exc...
