Description

A Fine London Mahogany Longcase Grandfather clock by William Jourdain. Mahogany case in good original condition, dating to circa 1780. Original Brass & Silvered dial with working seconds & calendar dials. Strike silent dial to the arch, enabling the bell strike to be turned on or off. Striking the hours on a single bell, with passing 1/2 hour single strike. 5 pillar rack and snail striking movement fully cleaned and serviced. Stunning long figured Mahogany door with lock and key. Brass piping to both case and hood. Original brass coated weights. Lovely Fretwork hood with its set of Brass finials. Height - 93 inches, Width at base plinth - 20.5 inches. More photo's and information on request. Overall excellent with only minor marks commensurate with age. Free uk mainland delivery and set up in person. Worldwide door to door shipping available, please email your address for a delivery/shipping quote. William Jourdain history: William Jourdain II inherited the family clockmaking business in 1747 from his father, a Huguenot immigrant of the same name. William senior arrived in Spitalfields in the 1680s, by the turn of the 18th century he had become known for his musical a...
