## Description

Exceptional late C19th Indian Hoshiarpur brass and copper inlaid teak octagonal table on a folding carved and pierced base. The octagonal top profusely and skilfully inlaid with geometric and floral designs in brass with some contrasting copper highlights, all within concentric ebony lines. The hinged and folding base with jali-work pierced panels and arches of carved and pierced panels. The base having corresponding brass inlaid details. The underside of the top bearing a fragmentary paper trade label, for the maker or retailer in Hoshiarpur, Punjab, India. The top in excellent original condition with no losses or damage. The base having one historic partially broken lower carved panel (shown in photos). The hardwood having achieved a rich colour and patina. A high quality, larger-scale table with great presence and decorative appeal. H 24" W 24" D 24" India c.1890

Internal Ref: ML 267
