Item Reference: SA1225522

Date of manufacture: 18th Century

Description

A quality little 18th century Dutch walnut chest of drawers of serpentine form. The chest has three drawers with later polished brassware which jump out from the rich red figured walnut veneers. The top is veneered in fiddle back walnut with boxwood stringing, there are some old marks and repairs mainly on the top commensurate with age. The chest has a wonderful colour and patina and is perfect for a small bedroom. measurements Height 77.5cm Width 86cm Depth 54cm
