Description

A beautiful hand made English solid sterling silver caddy spoon or sugar scoop? It is unmarked but tests as sterling silver. I would date it to c1920-1940. It has a beautiful hand made planished design and has been set with enamel. It is in super condition being free from dings splits chips cracks and repairs. It measures 4.25 inches (10.4cm) long by 1 inch across the bowl and weighs 11 grams. A very nice example.
