## Description

A superb Russian 84 solid silver and enamel Kovsh cup. It is hallmarked with the 84 zolotnik mark and tests as high grade silver. Although in the style of pieces from c1900 I think this is a later copy c1980 although equally as beautiful. It is in superb condition being free from dings splits and repairs. It measures approx. 3.5 inches (9cms) long by 2.25 inches (5.8cms) across and weighs 60 grams. A beautiful rare piece.

Internal Ref: 30958
