## Description

Liking this one and so pleasing to find one in the interesting and tight grained pitch pine, likely a country piece and sitting in lovely time worn condition. I expect it could work easily as a dining table if required, and would work perfectly well in a modern or period setting. We have 2 long drawers (with the usual time worn ink stains), an oversailing thick solid top and great looking barrel shaped legs. As mentioned the piece sits well with the right wear in the right places and is heavy for its size. A good looking pitch pine 2 drawer desk/table C1900s. Dimensions Overall: Height 76.5cm x Width 106.5cm x Depth 59cm Drawer Inners: Height 7.5cm x Width 40.5cm x Depth 43cm Knee-hole: Height 59.5cm x Width 90.5cm
